*****Dream Tan products or similar dyes or creams will again be allowed to be used. We ask the competitors to wipe the solution off before departing from backstage to the audience so that the dye does not get on the seats. If this is not followed, we will have to ban the use of the creams in future shows. Thanks in advance for your cooperation on this. If any questions, contact James and Bianca Purtell. The tanning product must be applied at home prior to reporting in the morning for check-in. This will eliminate the restrooms from being marked up with dyes and creams. There will be an area backstage you can apply color/oil if needed.**
